

Valentine's Day

# February 14

People celebrate friends, family, and significant others.

# February 13

Galentine's Day made popular by the TV series Parks and Rec is becoming more popular among young people in the US. Girls get together and celebrate with friends, usually going out to brunch.

# Schools

In elementary school, students celebrate by decorating shoe boxes and giving everyone in the class a Valentine. In high school, sometimes there is a fundraiser where students can buy and send flowers or chocolates.
